A FUTURE MAGAZINE COVER

Cover Story is a challenge about pure imagination. The purpose is to think expansively around an ideal future state for the organization, project or service.

Envision a day in 3-5 years time. You are called to give an interview about your recent success: What (imaginary) magazine or newspaper of blog writes a cover story about the project.

Design the future cover including;

- The Title of Magazine
- An image
- A Headline
- Your quote
- Three bullets
